

*"Praise the LORD, O my soul. O LORD my God, you are very great; you are clothed with splendor and majesty. He wraps himself in light as with a garment; he stretches out the heavens like a tent. And lays the beams of his upper chambers on their waters. He makes the clouds his chariot and rides on the wings of the wind."*

*~Psalm 104:1-3*

*An LPC sponsored canoe trip offers participants the opportunity not just to get close to nature, as rewarding as that is, but the opportunity to get close to the Creator and see in a unique way not only the beauty of the created world He gave us but to explore our place and purpose as He designed us to be. # Algonquin Park, Canada

*The essence of Algonquin is its vast Interior of maple hills, rocky ridges, spruce bogs, and thousands of lakes, ponds and streams. The only way to explore this rugged beauty is by canoe or on foot.*

*Indeed, as a refuge from our urban way of life, Algonquin's 7,630 square kilometers of forests, lakes, and rivers have assumed an almost incalculable importance as a living link with a vanishing past. How many city children have, or will, come to Algonquin and hear for the first and only time in their lives the mournful howl of a wolf? How many will see first-hand — in Algonquin and nowhere else — a reasonable facsimile of the wilderness that once covered all of Ontario?*
